INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

A. Summary of Existing Laws and Regulations Related to the Proposed Action

The Board is a constitutional body responsible for enforcing California's civil service statutes. (Cal. Const., art. VII, § 3.) In addition, the Board, by majority vote of all its members, prescribes probationary periods and classifications, adopts other rules authorized by statute, and reviews disciplinary actions imposed against state employees. (*Ibid.*) The Board also establishes rules implementing and enforcing the merit principle in the state civil service system. (Gov. Code, § 18660; see Cal. Const., art. VII, § 1, subd. (b).) In addition, the Board promulgates rules related to the Limited Employment and Appointment Program (LEAP) (Gov. Code, § 19240), which is an important and key program in the state's affirmative action efforts to hire persons with disabilities into state civil service (Gov. Code, §§ 19230 & 19232.) and limited term appointments (Gov. Code §§ 19080.3 & 19093), which allow appointments for temporary staffing needs.

Regulations adopted by the Board are exempt from the Administrative Procedure Act (APA), except as expressly specified. (Gov. Code, §§ 18211, 18215, & 18216.) The Board's regulations concerning selection, examinations, and classification may be adopted by the Board without public notice or comment; however, regulations related to selection and examinations shall be reasonably available to all interested parties. (Gov. Code, § 18213.) The rulemaking procedures set forth in Government Code section 18214 apply to the adoption of Board regulations concerning other matters.

In this instance, the subject matter of the proposed regulations relates to examinations and selection. These regulations are thus exempt from the APA process; however, the Board finds that a public comment period would be appropriate for this regulatory package.

B. Comparable Federal Regulations or Statutes

The Board has conducted a review of federal regulations and statutes and determined there are no comparable federal regulations or statutes.

C. Policy Statement Overview

This proposed regulatory action will update the Board's limited-term regulations to be consistent with the proposals impacting proposed changes to the LEAP regulations. The proposal will also eliminate unnecessary procedures when a limited-term appointment is terminated prior to the term of the employment, reduce unnecessary expense, and promote effective use of temporary staffing and resources. The proposed regulations will assist agencies in meeting affirmative action goals for persons with disabilities (Gov. Code, § 19232) and promote qualified pools of LEAP candidates. The proposed regulations are also intended to update, improve, and streamline the LEAP examination and selection process. The proposed definitions in this regulatory action promote clarity, ease of understanding, and consistency with definitions used in the Civil Service Act. The proposed regulatory changes are also necessary to update the Board's regulations to conform to S.B. 644 (Stats. 2015, Ch. 356, § 8, eff. 1/01/16) and S.B. 848. (Stats. 2016, c. 35, § 8, eff. June 27, 2016).

- Cost to any local agency or school district that must be reimbursed in accordance with Government Code sections 17500 through 17630: None.
- Cost or savings to any State agency: This proposed regulatory package is intended to make more efficient the process and procedures related to limited-term appointments and examinations and selection of LEAP candidates. - Cost or savings in federal funding to the State: None.

SIGNIFICANT EFFECT ON HOUSING COSTS:

None.

ECONOMIC IMPACT ON BUSINESS:

- Significant, statewide adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states: None.
- Effect on small business: The proposed regulations only set standards related to state civil service examinations and selection. Accordingly, it has been determined that the adoption of the proposed regulations would not affect small businesses in any way.

DESCRIPTION OF COST IMPACT:

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

RESULTS OF ECONOMIC IMPACT ASESMENT:

Adoption of these regulations will not:

1. Create or eliminate jobs within California.
